# EXPLANATORY NOTE

The Legislative Counsel Office (Law Clerk and Parliamentary Counsel) prepares the *List of Reports and Returns* under the authority of Standing Order 153 of the *Standing Orders of the House of Commons*:

**153.** It is the duty of the Clerk of the House to make and cause to be printed and delivered to each Member, at the commencement of every session of Parliament, a list of the reports or other periodical statements which it is the duty of any officer or department of the government, or any bank or other corporate body to make to the House, referring to the Act or resolution, and of the volume of the laws or Journals wherein the same may be ordered; and placing under the name of each officer or corporation a list of reports or returns required to be made, and the time when the report or periodical statements may be expected.

The *List of Reports and Returns* brings together in one convenient location the reports and other documents that, according to federal legislation, must be tabled in the House of Commons. It is based on the *Statutes of Canada* in force on September 30, 2002. This document does not indicate whether a particular document has been tabled in a timely manner. Until Parliament has repealed the statutory provision that requires a document to be tabled, the document remains on the list.

Most documents are to be filed by Ministers. Therefore, the *List of Reports and Returns* is presented in alphabetical order, based on how the Minister is identified in the statutory provision that requires the report to be tabled. For information regarding the details of a particular report, please contact the Minister responsible for tabling the report.

For the convenience of Members of Parliament and other users of the *List*, we have also included documents that are to be tabled by Parliamentary Committees and various House officials, including the Speaker. The reports of the Registrar General for Canada are listed with the reports of the Minister of Industry, because — under subsection 2(3) of the *Department of Industry Act* — the Minister of Industry is the Registrar General of Canada. All reports to be tabled by Ministers of State are grouped together under the heading "STATE, Ministers of". In some statutes, a specific Minister is not named. In these cases, the tabling requirement is located under the name of the Minister who is responsible for the statute, according to the *Table of Public Statutes and Responsible Ministers*.

The information relating to each document is presented in four columns, as in the following example:

<b>Canadian International Trade Tribunal<sup>1</sup></b>			
— Annual report <sup>2</sup>	<sup>3</sup> On any of the first 15 days on which the House is sitting after the report is submitted to the Minister (within three months after the end of each fiscal year) <sup>4</sup>	8560 553 <sup>5</sup>	<i>Canadian International Trade Tribunal Act</i> <sup>6</sup> R.S., 1985, c. 47 (4th Supp.), s. 42

1 Officer, department of the government, bank or other corporate body

2 Description of the document to be tabled

3 When document is to be tabled

4 When document is to be prepared

5 Sessional paper number

6 Statutory authority under which the document is to be tabled (style of citation is based on the *Canadian Guide to Uniform Legal Citation*, 4th ed. of McGill Law Journal (Scarborough: Carswell, 1998))

When a tabling requirement is not in force, the entire entry is shaded and the notation "*not in force*" appears in the "Authority" column, as in the following example:

— Annual report: administration of Part I.1 of <i>Canadian Forces Superannuation Act</i>	Annually	<i>Canadian Forces Superannuation Act</i> R.S., 1985, c. C-17; s. 59.7 added by 1999, c. 34, s. 154 (not in force)
--	----------	--

The statutory requirement to table a report has, in some cases, been discontinued by the Governor in Council. Section 157 of the *Financial Administration Act* authorizes the Governor in Council to order that a document be discontinued if the Governor in Council is satisfied that the document "contains the same information as or less information than is contained in the Public Accounts". When a document is discontinued in this way, it appears as follows:

— Annual report	To be included in the Minister's annual report to Parliament as a separate part thereof	<i>Statistics Act</i> R.S., 1985, c. S-19, subs. 4(3)
Discontinued in 1999—now included in the Industry Performance Report		

To date, four orders have been made by the Governor in Council directing that certain documents be discontinued. They are:

- *Order Directing that Certain Documents be Discontinued*, SI/2000-90, C. Gaz. 2000.II.2351.
- *Order Directing that Certain Documents be Discontinued*, SI/99-130, C. Gaz. 1999.II.2540.
- *Order Directing that Certain Documents be Discontinued*, SI/94-34, C. Gaz. 1994.II.1708.
- *Order Directing that Certain Documents be Discontinued*, SI/93-30, C. Gaz. 1993.II.1135.
